

ASGA GOLF

Asociación Senior de Golf de Andalucía

Dear members,

We are sure that you all enjoyed a great day at San Roque, the majority of the day with dry weather, the rest getting a little wet, but all with good ambience and fantastic food. We are now preparing for one of the best courses of Spain - the Real Golf de Sevilla.

As with previous years, we have prepared a package whereby we travel by bus the day before, stay at the Hotel Silken Al Andalus, offer the choice of a practice round in the afternoon at the course with transport provided to and from the course by bus.

As the course is flat and easily walkable with electric trolleys, the course offers very few buggies. Those who particularly need a buggy, should book one when inscribing to the competition.

We also ask that when inscribing to the competition, you should inform us if you would like to travel by bus, stay at the hotel or reserve a practise round at the course (70€ for ASGA))

Initially the bus will be leaving the Parador Golf club parking area, in Malaga, at 9.00am but if we have a minimum of 6 people we could depart from Marbella. We kindly ask those who would prefer to depart from Marbella to let us know as quickly as possible.

Bus to Sevilla and return	€ 30,-	pay cash on depart
Hotel: double bedroom incl. breakfast	€ 85	pay at the hotel
single bedroom incl. breakfast	€ 75	pay at the hotel

Best regards,

Adolfo Pedevilla

President
