

Buenos días estimados socios, como seguramente vosotros sabrán por la prensa, que se ha decretado un **sistema de alarma y toque de queda**, en el país, por las causas de la terrible pandemia, nos vemos en la obligación de cumplir este decreto al no poder reunirnos más de 6 personas y como consecuencia de ello suspender la convocatoria anunciada para el **día 5 de Noviembre de 2020, en TORREQUEBRADA**

Quedamos a la espera de los acontecimientos, y de que podamos reunirnos para próximamente realizar dicha **Asamblea General Extraordinaria** con los mismos puntos de día anunciados anteriormente.

Cualquier modificación le iremos informando

Reciban un cordial saludo de
La Junta Directiva

Dear Members,

As you will no doubt be aware, a state of alarm and curfew have been announced in Spain, due to the pandemic. We are obliged to respect this decree which states that we are not able to meet with more than 6 people. Therefore we have had to postpone the meeting that had been called for **5 November 2020 in Torrequebrada**.

We will continue to monitor events and intend to hold the EGM as soon as possible and with the same agenda as previously announced.

You will receive further information as soon as we have an update.

With kind regards
